

1

An aerial photograph showing a residential area with multiple houses. The houses are arranged in a grid-like pattern, each featuring a prominent red-tiled roof. The area is surrounded by green lawns and some paved paths or roads.

10

- An aerial photograph showing a large, roughly triangular agricultural field. The central portion of the field appears dark and charred, likely from a fire, while the surrounding areas are green. The field is intersected by several roads and surrounded by other agricultural plots.

100

An aerial photograph of a rural area. It shows a mix of green fields, some with crops, and others in a more natural state. A network of roads and paths cuts through the land. In the upper left, there's a cluster of buildings, possibly a farm or industrial facility, with several large structures and parking lots. The overall scene is a blend of agricultural and developed land.

10

An aerial photograph showing a cluster of houses with red roofs, likely a residential neighborhood. The houses are arranged in a grid-like pattern. The area is surrounded by green fields and some trees. The image is oriented vertically, appearing as if viewed from above.

An aerial photograph showing a cluster of buildings on a farm. The buildings include a large barn-like structure with a gabled roof, several smaller outbuildings, and a long, low-profile greenhouse or polytunnel. The property is surrounded by fields and a paved road.

10

卷之三

An aerial photograph showing a rural area with various agricultural fields in different stages of cultivation. A paved road runs through the center of the image, intersected by a smaller dirt or gravel path. In the upper left, there is a larger, more developed area with a long, low building, possibly a barn or industrial facility, surrounded by trees and some cleared land.
